

Kiwanis Club of Mid-Montgomery
County

Through a variety of fundraisers, our club raises money to give back to our community through projects with young children, our youth, young adults, the aging, the needy and various charitable organizations. We also recognize outstanding members of the community with awards and scholarships.

All of the proceeds from our yearly fundraisers are used to support these community projects. Kiwanis is a non-profit community service organization, and the members you see, whether fundraising or participating in community events, have all volunteered their time. Our Kiwanis members are committed to making this community a better place.

If you think you might be interested in helping us serve our community by donating a little of your time, we would appreciate your assistance.

Please contact our Membership Chair, Tom Masser, at (301) 929-9336 to find out more about our fine organization, or visit our website at:
